Cairns Water Security Stage 1

UPDATED- Out-of-hours work

Jones Rd Pit

Bruce Highway, Gordonvale

Construction Works Notification #114b

15 April 2026

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

On **Sunday, 19 April 2026** from **6:30am** until **5:30pm,** John Holland will undertake **out-of-hours work** in preparation for the fourth connection of the newly installed pipes to the existing water network.

These works will occur in a small corridor between the Bruce Highway and the Qld Rail North Coast Line, opposite Jones Road in Gordonvale, and on the western side of the Bruce Highway. (Refer map overleaf)

A separate notification will be issued prior to the fourth connection works. As part of these activities, there will be no residential water supply disruptions.

In the event of unforeseen circumstances, such as adverse weather or resource constraints, these works may be rescheduled and carried out on **Sunday, 26 April 2026**.

What can I expect?

- Construction equipment and vehicles entering and exiting the work zone.
- Construction noise including grinding, welding and machinery operations and increased construction vehicle movement.

How are we managing impacts?

- John Holland will notify nearby residents and businesses of the anticipated impacts as part of these out-of-hours activities.

Thank you for your patience and cooperation while we conduct this important work.
