Cairns Water Security Stage 1

Rushworth Road, Gordonvale (O'Neill Street)

Construction Works Notification #055

17 June 2025

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

From **Tuesday, 24 June 2025,** John Holland will continue trenching work for the installation of the new underground pipeline on Rushworth Road, around the O'Neill Street intersection, (see map overleaf). This work will be undertaken between **6.30am** and **6.30pm Monday** to **Saturday** and will take approximately **2 weeks** to complete, weather and ground conditions permitting.

To facilitate these works and for the safety of workers and the travelling public, the following approved traffic diversions will be implemented:

- Rushworth Road will be closed with local traffic only between O'Neill Street and Digger Street.
- O'Neill Street Intersection will be closed, with local access only.

What can I expect?

- During construction, each open trench will be protected with traffic cones for vehicle management and temporary fencing for pedestrian management to safely delineate the work zone.
- Short-term, partial road closures and traffic control as required.
- Delivery of pipes to the work area.
- Earthworks construction including excavation of a trench and temporary reinstatement.
- Installation of pipe and backfilling of the trench.
- Construction personnel, increased vehicle movements, construction machinery and equipment operating within the area.
- Construction noise associated with these works.
- Vegetation removal as required.
- After completion of the pipe installation, local streets will be reinstated to their original condition.

How are we managing impacts?

- John Holland will liaise with property owners if access to property is required or impeded to conduct works.
- Traffic control will be in place, where required.
- Notify residents and businesses of key activities including any out-of-hours work

Thank you for your patience and cooperation while we conduct this important work.
