Cairns Water Security Stage 1

Mill Street, Gordonvale

UPDATED Construction Works Notification #90b

27 November 2025

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

On **Monday, 3 November 2025,** John Holland begun **trenching works** for the installation of the new network of pipes on Mill Street, Gordonvale. (see map overleaf).

The work will be undertaken between **6.30am** and **6.30pm Monday** to **Saturday.** The works were originally scheduled for one (1) week, however, unforeseen ground conditions have extended the program. There are now approximately five (5) weeks of work remaining, weather permitting.

To facilitate these works and ensure the safety of workers and the travelling public, the following approved traffic diversions will be implemented.

Location	Duration	Road Closures & Access	Detour/Access Info
Mill Street	6 weeks	Closed between Cannon Street and Gordon Street	Detour via Norman Street
Gordonvale Train Station	6 weeks	Pedestrian access only	

These activities may result in additional traffic impacts. We recommend allowing extra travel time to account for potential delays in the area.

What can I expect?

- Temporary road closures, detours and traffic controllers.
- Earthworks including trench digging and temporary surface repairs.
- Underground pipe installation and trench backfilling.
- Construction noise, machinery, and increased construction vehicle movement.
- Streets will be restored to original condition after works are completed.

How are we managing impacts?

- Trenches will be safely marked with traffic cones and fencing.
- John Holland will contact you if your property access is impacted.
- Traffic control measures will comply with approved traffic diversion plans.
- Nearby residents and businesses will be notified of key activities, including any out-of-hours work.

Thank you for your patience and cooperation while we conduct this important work.
