Cairns Water Security Stage 1

Out-of-hours work – Dewatering

Bruce Highway, Gordonvale

Construction Works Notification

1 April 2026

During **April and May 2026,** John Holland will carry out **out-of-hours work** to remove groundwater from the Jones Road worksite. These works will occur in a small corridor between the Bruce Highway and the Qld Rail North Coast Line, opposite Jones Road in Gordonvale. (Refer map below)

To maintain the structural integrity and safety of the site, a mechanical water pump will be required to operate continuously, 24 hours a day, seven days a week, throughout the period of high rainfall.

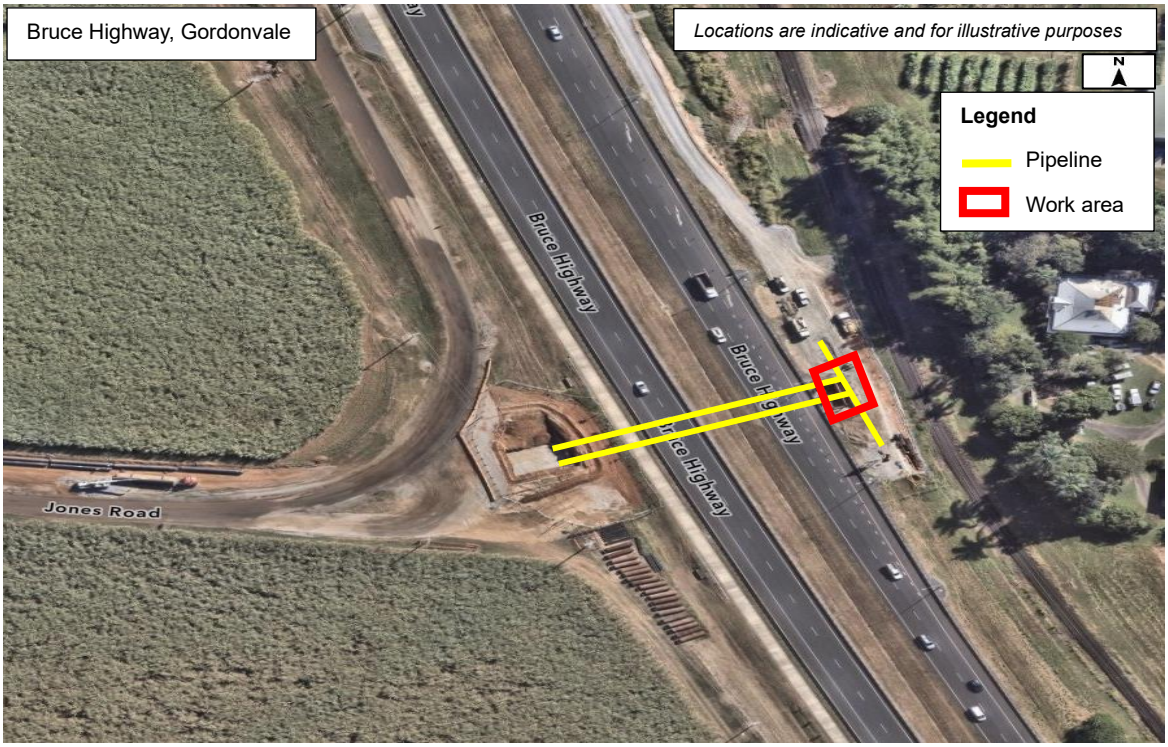

What can I expect?

- Mechanical noise produced from the water pump as it operates.

How are we managing impacts?

- John Holland will implement noise-mitigation measures to minimise impacts on nearby residents.
- John Holland will notify nearby residents and businesses of the anticipated impacts as part of these out-of-hours activities.

Work Location

Thank you for your patience and cooperation while we conduct this important work.
