Cairns Water Security Stage 1

Maher Road, Gordonvale

Construction Works Notification #070

11 August 2025

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

From **Friday, 15 August 2025,** John Holland will continue **trenching works** for the installation of the new network of pipes on Maher Road, Gordonvale from the AFL Football Ground to Cairns Road. (see map overleaf). This work will be undertaken between **6.30am** and **6.30pm Monday** to **Saturday** and will take approximately **6 weeks** to complete, weather permitting.

To facilitate these works and ensure the safety of workers and the travelling public, the following approved traffic diversions will be implemented.

Stage	Location	Duration	Road Closures & Access	Detour/Access Info
Stage 1	Maher Road	3.5 weeks	One Lane – under traffic control	6:30am – 6:30pm
			Shoulder closure – two-way traffic	6:30pm – 6:30am **(Overnight)**
Stage 2	Maher Road	1 day	Full Road Closure	Follow detour route
Stage 3	Maher Road	2.5 weeks	One Lane – under traffic control	6:30am – 6:30pm
			Shoulder closure – two-way traffic	6:30pm – 6:30am **(Overnight)**

These activities may result in additional traffic impacts. We recommend allowing extra travel time to account for potential delays in the area.

What can I expect?

- Temporary road closures, detours and traffic controllers.
- Earthworks including trench digging and temporary surface repairs.
- Underground pipe installation and trench backfilling.
- Construction noise, machinery, and increased construction vehicle movement.
- Streets will be restored to original condition after works are completed.

How are we managing impacts?

- Trenches will be safely marked with traffic cones and fencing.
- John Holland will contact you if your property access is impacted.
- Traffic control measures will comply with approved traffic diversion plans.
- Nearby residents and businesses will be notified of key activities, including any out-of-hours work.

Thank you for your patience and cooperation while we conduct this important work.
