Cairns Water Security Stage 1

Mill Street, Gordonvale

UPDATED Construction Works Notification #108a

10 February 2026

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

On **Thursday, 12 February 2026 and Friday 13 February 2026**, John Holland will undertake **reinstatement works on Mill Street, Gordonvale** (see map overleaf) following the recent installation of pipework. Works will occur between **10.00am and 2.00pm**, weather permitting.

To ensure the safety of workers, pedestrians and motorists, **Mill Street will be closed between Church Street and Muir Street during this time**. Traffic control will assist vehicles exiting St Michael's School and Saint Michael's Church, and some public parking spaces will be temporarily restricted to allow the works to be completed safely.

The road will reopen to traffic by 2.30pm to support school pick-up.

These activities may cause minor delays, and we encourage road users to allow extra travel time.

What can I expect?

- A variable work area will be established to ensure a clear and safe working area.
- Road closure including detours, and traffic control as required.
- Earthworks, and reinstatement activities associated with the kerb replacement.
- Construction noise, machinery, and increased construction vehicle movement including concrete trucks.
- Streets will be restored to original condition after works are completed.

How are we managing impacts?

- The work zone will be safely marked with traffic cones, barriers and fencing.
- John Holland will liaise with property owners to discuss access requirements during these works.
- Traffic control measures will comply with approved traffic diversion plans.
- Nearby residents and businesses will be notified of key activities, including any out-of-hours work.

Thank you for your patience and cooperation while we conduct this important work.
