Cairns Water Security Stage 1

UPDATED Nielsen Street, Aloomba

Construction Works Notification #085a

22 October 2025

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

From **Wednesday, 15 October 2025,** John Holland will continue **trenching works** for the installation of the new network of pipes on Nielsen Street, between Anderson Road and Andrews Street, Aloomba (see map overleaf). This work will be undertaken between **6.30am** and **6.30pm Monday** to **Saturday** and will take approximately **2.5 weeks** to complete, weather permitting.

A variable work zone will be established to maintain a clear and safe working area, with temporary fencing installed around the designated area.

Stage	Location	Duration	Road Closures & Access	Detour and Access Info
Stage 1	Nielson Street	~1 week	No access restrictions	Streets remain open
Stage 2	Nielson Street & Andrews Street	~1 week	Access to **Andrews Street** will remain open with one lane closure.	One-lane traffic control in place

In early 2026, trenching works are scheduled to **complete** the Andrews Street, Aloomba road crossing. A construction works notification will be provided prior to these works commencing.

What can I expect?

- Installation of temporary fencing around the work zone.
- Earthworks including trench digging and temporary surface repairs.
- Underground pipe installation and trench backfilling.
- Construction noise, machinery, and increased construction vehicle movement.
- The area will be restored to original condition after works are completed.

How are we managing impacts?

- Trenches will be safely marked with traffic cones and fencing.
- John Holland will contact you if your property access is impacted.
- Traffic control measures will comply with approved traffic diversion plans.
- Nearby residents and businesses will be notified of key activities, including any out-of-hours work.

Thank you for your patience and cooperation while we conduct this important work.
