Cairns Water Security Stage 1

Rushworth Road, Gordonvale

Construction Works Notification #98

5 December 2025

Welcome to the latest localised update for the Cairns Water Security Stage 1 project. These construction works notifications will continue to be distributed to keep you informed of upcoming construction activities within the Gordonvale, Aloomba and Behana Gorge communities.

From **12 December 2025,** John Holland will continue trenching works for the installation of the new network of pipes on Rushworth Road, Gordonvale at the MSF rail crossing. (see map overleaf). This work will be undertaken in **two (2)** stages between **6.30am** and **6.30pm Monday** to **Saturday.**

To facilitate these works and for the safety of workers and the travelling public, the following approved traffic diversions will be implemented:

Stage	Dates	Location	Duration	Road Closures & Access	Detour/Access Info
Stage 1	**12 December 25 to 19 December 25**	Rushworth Road	~1 week	Closed at MSF Rail Crossing	Follow detour (Local Access only)
	20 December 25 to 4 January 26	Road will be reinstated for the Christmas holiday shut down period			
Stage 2	**5 January 26 to 23 January 26**	Rushworth Road	~3 Weeks	Closed at MSF Rail Crossing	Follow detour (Local Access only)

These activities may result in additional traffic impacts. We recommend allowing extra travel time to account for potential delays in the area

What can I expect?

- Temporary road closures, detours and traffic controllers.
- Earthworks including trench digging and temporary surface repairs.
- Underground pipe installation and trench backfilling.
- Construction noise, machinery, and increased construction vehicle movement.
- Streets will be restored to original condition after works are completed.

How are we managing impacts?

- Trenches will be safely marked with traffic cones and fencing.
- John Holland will contact you if your property access is impacted.
- Traffic control measures will comply with approved traffic diversion plans.
- Nearby residents and businesses will be notified of key activities, including any out-of-hours work

Thank you for your patience and cooperation while we conduct this important work.
